## I. Reports

### A. President's Report

Has created dialogue, developed relationships

### B. Vice President's Report

Discussed GSG furniture drive, sign-ups, and flyer. Requested approval/feedback on the flyer.

### C. Academic Affairs Chair's Report

Discussed open access policy. Princeton reviewed its policy in the past, decided against implementing an open access fund. University is unlikely to change.

Joseph Henry room will be renovated this summer. Will look into new rooms in Physics for the summer.

### D. Facilities Chair's Report

Provided New Hibben updates: New plans have removed first-floor entrances to several town houses; suggested a small change to make town houses more pet-friendly. Bike storage in new Hibben will be more than adequate. Large packages will not be delivered to your door but held in a central room. Assembly member asked about covered bike storage, Chair will look into it.

Suggested that people help shape upcoming University policy changes to retention.

### E. Social Chair's Report

This coming Friday is the end-of-year party in Campus Club from 10:00am-2:00am. Need help for ID checking; respond to Daniell's e-mail if interested.

Reunions update: wristbands are \$40 and cover only access to tents. This is more than last year and does not get you a free T-shirt. You are allowed one guest at this subsidized price.

#### F. Communication Director's Report

Working on technical details/e-mails. Big issues: Friday's party, furniture drive.

#### G. Health and Life Chair's Report

Princeton Health Advisory Board meets this Friday. Will collect information and report back at the next meeting.

### II. Old business

Assembly minutes from March and April: Approved

### IV. New Business

#### A. Topics

1. Kjell Wangensteen is interested in starting a day of service broadly similar to Yale's model. An assembly member suggested that he contact the Black Student Union, who have run a similar day of service.
