

Graduate Student Opinion Poll

The Graduate Student Government held a Graduate Student Opinion Poll, which is NOT designed to represent the graduate body at large, but rather to present the positions of some students on campus to the Council for the Princeton University Community (CPUC) Resources Committee. Graduate students were polled using the following prompt:

Please choose your position with respect to the following statement:

The Trustees of Princeton University and the Princeton University Investment Company, "PRINCO", should divest from multinational corporations that maintain the infrastructure of the Israeli occupation of the West Bank, facilitate Israel's and Egypt's collective punishment of Palestinian civilians in the West Bank and Gaza Strip, or facilitate state repression against Palestinians by Israeli, Egyptian, and Palestinian Authority security forces, until these corporations cease such activities.

The poll was opened on Wednesday, April 29, 2015 at 12:00 PM EST and closed on Friday, May 8, 2015 at 12:00 PM EST. Prior to the opening of the poll, an open forum was held on Tuesday, April 28, 2015 from 5:00PM to 7:00 PM EST, with representatives from both No Divest and Princeton Divests.

The Graduate Student Government Assembly certifies that the poll was properly run. The results are as follows:
