

GSG Digital Assembly Meeting

Jadwin 102

**August 9, 2017**

- I. Families Initiative
  - After soliciting feedback and suggestions from Assembly and members of the student community (including Tigers with Cubs), we've prepared an updated and expanded set of proposed Family Support Initiatives.
  - The updated proposal can be viewed here: [Family Support Initiatives](#).
  - The working group will be bringing these proposals to the Graduate School in the next week.
- II. GSG Happy Hours
  - The Graduate School is funding six happy hours that we will be running every Thursday through the first week of the semester
- III. GSG Office Move
  - We are soliciting recommendations for possible uses of the new space. It should allow for meetings of 14-16 around a central table
  - Suggestions have included student group meetings and workshops
  - How else could you or your constituents use the space?
- IV. Graduate Student Center Wishlist
  - We will soon be looking at options for a more permanent Graduate Student Center and are interested in the types of things, spaces, usage, etc that you would like to see at a student center. This will be a larger space, both for social activities and meetings
  - Suggestions have included student group meetings that require more space, regular happy hours, open study, and socialization space, a small prep kitchen for events with food.
- V. Housing Waitlist
  - Housing have emailed those on the housing waitlist to update their interest. Please be sure to contact [ldepaul@princeton.edu](mailto:ldepaul@princeton.edu) if you want to remain on the waitlist. As always, please feel free to reach out to the GSG or CC us on communications with housing at [gsg@princeton.edu](mailto:gsg@princeton.edu)
