

Utsav Popat

Candidate for CPUC Executive Committee

Q: What is your position on graduate student unionization?

A:

I am generally in support of student unions. I used to be a member of the Oxford Student Union – albeit the remit and the purview of the Oxford SU were more widespread than that what has been discussed for Princeton. In the context of Princeton, I understand that the University is not keen on having one, and that the petition to the NLRB has currently been withdrawn. This has left a void to fulfill, and I will do my best to act as a conduit and present issues pertaining to the students to the administration as the need arises
